

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

Project Manager eCORES

Project Manager new Research Areas (eCOREs)

VHIR offers a Project Manager position to work at the recently created Delegate Directorate of Advanced Therapies Hub. This new area's objective focuses on the development of research and innovation, including VHIR initiatives linked to Next Generation funds, through which new opportunities arise to increase the potential for research and innovation of VHIR. The Project Manager, together with the Delegate Director of the Hub, will work in the design, implementation and development of the several projects linked to this area.

This vacancy is funded by the European Union-NextGenerationEU for a period of two years. The project establishes the following requirements in terms of the profile of the candidates:

- The candidate must be between 16 and 29 years old.
- The candidate must be unemployed and registered as a job seeker (Sistema d'Ocupació de Catalunya) at the time of recruitment.
- The candidate must not have carried out any type of research activity at VHIR in the 6 months immediately prior to the start of the contract.
