

INTERNATIONAL CALL IC46_23

JOB TITLE

R4 - Leading Researcher in Neuropsychology

JOB DESCRIPTION

The Pere Virgili Institute for Health Research (IISPV) is an esteemed institution that integrates biomedicine research in the "Camp de Tarragona" and the "Terres de l'Ebre" regions. The IISPV serves as the research and innovation hub for the university hospitals in these regions, including Joan XXIII University Hospital of Tarragona, Verge de la Cinta Hospital of Tortosa, Sant Joan de Reus University Hospital, Institut Pere Mata University Hospital of Reus, and Rovira and Virgili University.

The IISPV is seeking to hire an R4 researcher in neuroscience and mental health.

CANDIDATE PROFILE & REQUIREMENTS

- Degree in psychology.
- PhD in health science or related areas.
- Demonstrated leadership in the field of neuroscience and mental health.
- Expertise in managing and leading competitive research projects.
- International reputation based on research excellence in neuroscience and mental health.
- Publications and presentations of influential papers and books in neuroscience and mental health.
- Excellent communication and networking skills within and outside the research community.
- Proficiency in the English language.
- R3 certificate (granted or requested) according to Law 14/2011, of June 1, on Spanish Science, Technology, and Innovation, is required.
- Two letters of recommendation from recognized scientists in the area of interest.

IT WILL BE VALUED

- Skills in personnel management and organization.
- Additional master's degree

- Ability to create an innovative and creative research environment.
- Strategic vision for the future of the research field. (The presentation of a summary on the objectives for the next 5 years will be considered)
- Previous work experience in prestigious research organizations.

LABOUR CONDITIONS

- Full-time position (40 hours/week).
- Workplace: Institut Investigació Sanitària Pere Virgili.
- Contract: Indefinite of scientific-technical activities
- Gross annual salary: 44.793,12€ €.
- Starting date: 1st June 2023.

SELECTION PROCEDURE

- Selection of CV. Suitable and unsuitable CVs will be identified based on the requirements. Applicants who do not meet the criteria indicated in the candidate profile and requirements will not proceed to the next phase.
- Evaluation of the CV. Assessment of the CVs up to a maximum score of 30 points.
- Cover Letter. Attach a cover letter to the resume with a maximum length of 2500 characters with spaces, with a top score of 10 points.

To qualify for the interview stage, candidates must obtain a minimum score of 30 points in the sum of the curriculum evaluation and cover letter scores.

- Personal interview. With a maximum score of 60 points.

Items	60
